INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

In answer to your letter
will say that I do not know
or can not even find any
one that will give me any
definite information
concerning my father.
We have always claimed
him to be a White Man
and as far as my own
case is concerned, I
always have to go &
hunt up the Parties,
that know my people.
I was raised an orphan
lost & placed in an
Orphan Asylum, to stay
until I was.

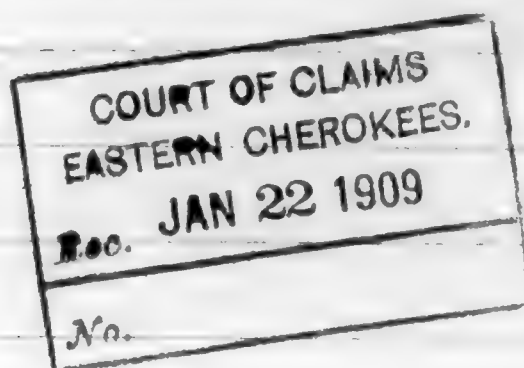

my Mother was an
Old Settler.

I did not know anything
about myself until I
drew my first bread
money. They say I was
born in the Cherokee Nation
about the year after
peace was made.

I belong to the same
family that Mitchelli
belongs to. I am his first
cousin. This is all I know.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your father and mother were living in 1851. If they were then enrolled on Cherokee enrollment, they must have been so enrolled using Indian names.

Aid us in connecting you with the roll by giving both their Indian names; also the Indian names of your aunts and uncles.

Please give this matter prompt attention and in your reply refer to the number of your application.

Very respectfully,

Henry Dreadfulwater being first duly sworn, deposes and says:

My name is Henry Dreadfulwater. I live at Mideon, Okla. I have been enrolled by the Lawes Commission. My number is 18390. I don't know whether I drew Immigrant money in 1852 for I was a little baby. My father and mother both drew money. My father's name was George Dreadfulwater. My parents lived in Tahlequah District in 1852. I am the oldest child. My father and mother were living together in 1851. They did not have any children except me at that time. I don't know whether my father had any brothers or sisters or not. Yes he had a sister by the name of Quaitsey.

I don't know what my mother's father's name was. He was a white man. My mother's mother's name was Mary Quinton. My mother and father were not Old Settlers. My brother Wilson Dreadfulwater says my father was an Old Settler of Western Cherokee enrolled in 1851 in Tahl. Dist. See Tahl. D.S. 85. I have no full brothers. My mother and father separated before the war. My mother's name was Peggy Quinton or Pakie (Ind) and mother and father were living together in 1851 when they drew the money. She had a sister Lydia Quinton. A brother Lewis Quinton. I don't know whether Lewis Quinton was married in 1852 or not. My mother had a brother Samuel Quinton. She had another brother Daniel Quinton. Peggy Quinton was enrolled and with whom she was living in 1851 and where. The date of the death of Daniel Quinton should also be ascertained and if it is found that he was living in 1851, ascertain under what name he was enrolled, who he was enrolled with and where he was living. An effort should be made to locate Sarah Quinton, ~~nee~~ Censence, in regard to where she was living in 1851, who she was living with, whether or not she was enrolled as an emigrant and who she was enrolled with, and under what name. In the testimony now on file in the case it is stated that Peggy Quinton had a sister by the name of Lydia Quinton, although none of the applications refer to her. It should also be determined as to whether or not the testimony in that regard is correct. From the information at hand it would appear that in 1851 the said Peggy Quinton was enrolled under the name of Peggy Dreadfulwater. However, the case is very complicated and she was married so many different times that it may be possible that she was enrolled under some other name. It may be that she was enrolled as an Old Settler and if it is found that Peggy Quinton had a sister by the name of Lydia Quinton, the date of the birth of the said Lydia Quinton should be ascertained as near as possible. Also whether or not she ~~lived~~^{mailed} out West with the rest of the family. On the Old Settler Roll, Silver River District, 1851, the name of Lydia Quinton appears. If this is the same Lydia Quinton explanation should be made as to how she could be enrolled as an Old Settler and her sister Peggy was not.

These suggestions should be followed closely, as the case is one of the most complicated in the office.

SUMMARY

To be used at the re-examination of the cases
grouped with #2748.

The applicants in this group of cases are divided into two groups, -- one group claiming through an ancestor by the name of Lewis Quinter, the other, through a sister of the said Lewis Quinter, named Peggy Quinton.

It appears that Peggy Quinter was married three different times and possibly four. In 1851 she was married to a man by the name of Dreadfulater; in 1858 her husband's name was Thornton; in 1871 her husband's name was Sa-lun-di or High. Applicant #11204 refers to the said Peggy Quinter as Peggy Hair, although in the application of his brother she is called Peggy Quinton. It may be that she was also married to a man by the name of Hair.

Besides said Lewis Quinter and Peggy Quinton there were two other children by the names of Samuel Quinter and Daniel Quinter. The mother of these four people was Sarah Quinter, nee Consence. Their father was a white man by the name of Henry Quinter. In some of the applications the said Henry Quinter is referred to as Henry and the said Sarah Quinter as Sarah Henry, but it is probable that they are one and the same person.

On the roll of 1851, Flint District Group #663, the names of Lewis and Samuel Quinter appear. The name of Daniel Quinter cannot be found, neither can Peggy Quinter be found. *From* the information given in the application said ~~that~~ Sarah Quinter was living in 1851, but her name cannot be found.

In the examination of this case it should be determined whether or not Lewis and Samuel Quinter were living together in 1851. An effort should be made to determine under what name

The applicants in this group of cases are divided into two groups, -- one group claiming through an ancestor by the name of Lewis Quinton, the other, through a sister of the said Lewis Quinton, named Peggy Quinton.

It appears that Peggy Quinton was married three different times and possibly four. In 1851 she was married to a man by the name of Broadfulwater; in 1858 her husband's name was Thornton; in 1871 her husband's name was Sa-lun-di or High. Applicant #12204 refers to the said Peggy Quinton as Peggy Hair, although in the application of his brother she is called Peggy Quinton. It may be that she was also married to a man by the name of Hair.

Besides said Lewis Quinton and Peggy Quinton there were two other children by the names of Samuel Quinton and Daniel Quinton. The mother of these four people was Sarah Quinton, nee Consenee. Their father was a white man by the name of Henry Quinton. In some of the applications the said Henry Quinton is referred to as Henry and the said Sarah Quinton as Sarah Henry, but it is probable that they are one and the same persons.

On the roll of 1851, Flint District Group #663, the names of Lewis and Samuel Quinton appear. The name of Daniel Quinton cannot be found, neither can Peggy Quinton be found. *From* the information given in the applications said ~~the~~ Sarah Quinton was living in 1851, but her name cannot be found.

In the examination of this case it should be ascertained whether or not Lewis and Samuel Quinton were living together in 1851. An effort should be made to determine under what name

Peggy Quinter was enrolled and with whom she was living in 1851 and where. The date of the death of Daniel Quinter should also be ascertained and if it is found that he was living in 1851, ascertain under what name he was enrolled, who he was enrolled with and where he was living. It should also be determined as to whether or not the testimony in that regard is correct. From the information at hand it would appear that in 1851 the said Peggy Quinter was enrolled under the name of Peggy Breadfulwater. However, the case is very complicated and she was married so many different times that it may be possible that she was enrolled under some other name. It may be that she was enrolled as an Old Settler and if it is found that Peggy Quinter had a sister by the name of Lydia Quinter, the date of the birth of the said Lydia Quinter should be ascertained as near as possible. Also whether or not she ~~lived~~ ^{mailed} out West with the rest of the family. On the Old Settler Roll, Silver River District, #151, the name of Lydia Quinter appears. John J. Low, being first duly sworn, deposes and says:
My name is John J. Low. I live at Duluth, Ga.
I was born in 1848 in Forsythe County, Ga. I claim through
my mother and her mother. My mother was born in 1820. My
grandmother was born, I suppose, in Gwinnett County. My mother
and my grandmother were recognized as Indians wherever they
lived. I am recognized as ~~an Indian~~ Indian. My
mother got some money in 1851 or 1852. She was living in
Forsythe County, Ga. at that time. Her name was Cynthia
Low at that time. My mother and grandmother lived with the ^{man}
Indians up to 1856. My grandmother had married a white man,
so she did not have to go among the Indians. What I mean
by saying they were recognized as Indians was that they were
not Indian, or connected by blood with the Indians. ~~My~~
mother's sisters were Mary Rogers and Ann C. Rogers.
My mother's brothers were Robert Rogers, William Rogers,
John ~~Rogers~~ Rogers, Joseph Rogers, Lovely Rogers, and Jack Rogers.
Henry Rogers, George Rogers, and John Rogers. I had sisters as

Sir:

Your exception of August 9, 1909, to the Court of Claims, has been received, and you are advised that your daughter's name will be placed upon the roll, as we find she was not of age at the time the supplemental application was filed for her.

It will not be necessary for you to do anything further in the matter as this correction will be made before payment is commenced.

Sir:

Replying to your letter of July 26, 1909, making inquiry as to why your daughter, Mary J. Lowe, is not enrolled with you, you are advised that the reason she was not enrolled was because she did not file a separate application and was of age at the time you filed the application for her.

Being an adult she should have filed an application for herself, as the fact that you included her in your application is not sufficient for her claim.

The matter is now out of my hands, but if you wish to take any action in the case you will have to file exceptions to my report to the Court of Claims before August 31, 1909. The inclosed circular will furnish you with the information necessary to file exceptions.

COURT OF CLAIMS EASTERN CHEROKEES. Rec. AUG 11 1909 No.

GEORGIA, GWINNETT COUNTY.

To the United States Court of Claims:

"Duplicate"

And now comes John J. Low, accepted applicant for share of money appropriated for the Eastern Cherokee Indians by Act of Congress, approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906, within the time allowed for filing exceptions by the Court of Claims, and files exceptions to the report of Special Commissioner Guion Miller made to the Court of Claims May 28, 1909, in so far as it relates to his failure or refusal to enroll his daughter, Mary E. Low, who was a minor under the laws of Georgia, or at least under 21 years of age at the time application for her enrolment was made.

Exception, first; Your exceptor alleges that the Special Commissioner erred in failing or refusing to enroll his daughter, Mary E. Low, upon the ground set out in a letter of August 2, 1909, from said Special Commissioner to your exceptor, which letter is hereto attached and marked "Exhibit A", as will be shown by the following facts: That he made his individual application No. 2766 under the first plan of disbursement which was per stirpe. A subsequent order of the Court of Claims directed that the disbursement be made per capita. After the change in the plan of disbursement your exceptor was instructed either by the Court of Claims or by its Special Commissioner to make supplemental application for his minor children. He had but one child, to wit: Mary E. Low, who was born July 10, 1886, from which it will be readily discovered that she was not twenty one years old until July 10, 1907, and that he made his supplemental application for her enrolment as a minor child previous to May 22, 1907, as shown by a receipt card from the Special Commissioner of the Court of Claims, which card is hereto attached and marked "Exhibit B".

Exception, second, Your exceptor alleges that the said Special Commissioner erred in failing or refusing to enroll Mary E. Low, his daughter, because she is a Cherokee Indian by descent, deriving her Cherokee blood through her great-grandmother, Sarah Cordray, and her grandmother, Cynthia Low, nee Rogers, and her father, your exceptor; that Cynthia Low, nee Rogers, was 15 years old in 1835 and 31 years old in 1881, and that your exceptor was 3 years old in 1881, and that they neither have Indian names.

Your exceptor further avers that his daughter, Mary E. Low, was 23 years old July 10, 1909, and that her Post Office address is Duluth, Gwinnett County, Georgia, and that her application is No. 2766, it being supplemental to his own,

Page 2.

Wherefore, your exceptor prays that the Court of Claims correct the error herein set of the Special Commissioner, and enroll Mary E. Low for share of money above mentioned, and of this your exceptor will ever pray.

I solemnly swear that the foregoing statements made by me are true to the best of my knowledge and belief.

Subscribed and sworn to before me this ninth day of August, 1909.

Referring to application No. 2778, filed by you as attorney-in-fact for David T. Bivins, for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, you say in said application that the applicant claims through "Catharine Bivins who was a daughter of Betsey Cheek, who was a descendant of Joe Cheek, whose name should appear on the Roll of 1835 taken in the State of North Carolina." The application does not state what relation Betsey Cheek was to Joe Cheek other than to say she was a descendant which is a rather indefinite term. Joe Cheek does not seem to be upon the Roll of 1835, or that of 1851; neither does Catharine Bivins nor Betsey Cheek seem to be on either of these rolls.

Please inform us whether your client can claim through any other source than that stated in the application, and give any other information you may have tending to support her right to participate in this fund.

An early reply will be appreciated.

Very respectfully.

Special Commissioner.

W. M. McGinnis, witness for Minerva Ann McGinnis,
after being first duly sworn, deposes and says:

Minerva Ann McGinnis was my mother; she has been dead since Oct. 13, 1907. I have lived all my life in Cherokee and Cobb Counties, was born in Cherokee County; am 45 years of age. I claim Cherokee Indian blood through my mother. My mother was born in Lumpkin County, Ga. I have never received any Indian money from the government and my mother never did. If my mother ever tried to get any it was so long ago I do not remember. I never heard of Hester, the enrolling agent in 1882. I never heard my mother speak of a payment to the Cherokee Indians about 1852. My mother first told me of my Indian blood. She always taught me I had Indian blood. I do not remember my grandfather. He died before the Civil War. He lived with the white people after the Indians were taken away. I do not know why he was not taken with them. I have one aunt in Cherokee County and an aunt and uncle in Carroll County. My mother never lived with the Indians that I know of. I think my grandfather was a recognized Indian. My mother could speak the Indian language a great deal.

Malinda Grizzle being first duly sworn, deposes and says:

My name is Malinda Grizzle. I live at Tallonega, Ga. I was born in 1831 in Lumpkin Co. Ga. I claim Indian blood through my father and his mother and her father. My father died in 1874 and was 69 years old. My father was born in Rutherford Co., N. C. My father was recognized as a white man. I have been recognized as a white woman. My father lived with the Indians. I have lived with the white people and the Indians too. I didn't live right with the Indians. My father did not own land here when I was born. My father told me about the Indians, about living with them and working with them. My father and I have never gotten any money from the Govt. on account of our Indian blood. Then the Indians were carried away from here my father and I were living right here in Lumpkin Co. Ga. My father did not go with the Indians. I don't know why he was not driven away with them. He did not help to drive them away. They did not try to make us go with them. I don't know why. In 1851 my father and I were living in Lumpkin Co., Ga. I was not married at that time. In 1882 I was living in Lumpkin Co., Ga. I don't know why I was not enrolled with the Cherokees in 1851 and 1881. My great-grandmother was an Owl. She was a whole Indian. Her full name was Katy Owl. I claim my Indian blood through her.

I don't know any Indian name that my father went by. Both my grandfather and my grandmother had Cherokee Indian blood. My father did not have any brothers or sisters. I don't know where my grandfather was born and raised. My grandfather came down here from N. C. and lived down here. He came down here when I was a child.

Martha A. Reece, after being first duly sworn,
deposes and says:

Martha A. McGinnis, No. 2785 was my sister.
I am 55 years of age. I claim Indian blood through my
father. I have never received any Indian money from
the government nor did my father or sister. I do not
remember my father ever trying to get any Indian money.
My father lived among the Indians for there were hardly
any white people in this part of the country. I was about
ten years of age when my father died. He spoke the
Indian language sometimes. I do not know my father's
occupation. He did first one thing and then another.
I have lived in Cherokee County all my life. In 1882
I lived in this county. I never heard of Lester
the government agent through here at that time. I
never heard of my father trying to get any money in
1852. I do not remember if my father was a voter.
My father had a black beard and black hair.

Sir:-

Your letter of May 23, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be distributed, is at hand.

In reply you are advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 23,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated.

Very respectfully,

Special Commissioner.

Nancy Beamer being first duly sworn in behalf of Arie Linn deposes and says:-

I am 52 years of age. Arie Linn is my daughter and she derives her Indian blood from her father. I am a full blooded white woman. My husband was named Elick Beamer. He has been dead about 15 years. He was 39 years of age when he died. He got his Indian blood from both his father and mother. He was about a full blood Cherokee. Both of his parents were Emigrants. His father was Jack Beamer. I don't know just what his Indian name was but it was something like Soo-lih, which means Buzzard. His wife's name was Luey. I don't know of her having an Indian name. ~~My~~ My husband has one brother living near Grove, named John Beamer. Think my husband's parents were living together in Going Snake District in Cl. My husband was the oldest child so I don't suppose they had any children at that time. My husband's mother's parents were named Caty and Jim Downing. They lived and died there in Going Snake District, I think. See G. S. 321. 7. Lydia Downing was a sister to my husband's mother. She never married. George Downing was her brother, I don't think he ever married either. Ailsey Downing was also a sister of my husband's mother. I think her man was a Downing by I can't tell to save my life what his name was. My daughter's Daws Commission number is 28120. My husband's ~~father~~ father had one brother named Pony Beamer or Spirit Beamer. My daughter was notified to go to Pryor Creek.

Possibly G. S. 321 are husband's maternal grandparents. Don't find his parents in census given. *Nancy Beamer*
Signature of Witness.
I don't believe them or get Indian names if any. Just send in notified for Pryor Creek.

My mother also had a brother that was enrolled with us by the name of Johnson. They were all living together in Delaware District. I remember my ~~fat~~ step father and my mother going down to draw the money and we were then living in Going Snake District but we had only been over there a short time. We went to Going Snake District after my mother and father separated and lived there and then Dah-gah-wah-sih came along and took my mother to the payment. We may have been enrolled alone and in Going Snake District. Johnson and Rose though lived with us ever since I can remember. My father's name was Gun-che-dih. Don't know who he was living with but he was living in Saline District. My mother had a brother named Cha-qual-dih, which means bluebird. He was living in Delaware District with a woman name I-you-quih. My mother had a brother named ~~Scam~~ Scam-chew-haw-duh. A brother named Toms-nih. A brother named Ah-ne-law-suh. My mother's mother was Che-gay-you-ih. She was living in Delaware District alone. Her husband was dead before then. My father's ~~name~~ father De-qua-nuh. Don't remember whether he was living in 51 or not but my father's mother was. Her name was Goo-we-stuh. She was living alone in Delaware District. My mother had a sister named Sar-lih. She was living, if alive in 51, in Delaware District. My father did not have any brothers or sisters and I am the only child of my parents. My Daws Commission Number is 18487. I am a full blood. My parents came out here with the ~~tyler~~ crowd from the C & D Country that was driven out by the soldiers. ~~tyler~~ Chuc-ku-luck and Groundhog Drum have the same mother. Charlie King, being first duly sworn, thru his interpreter, Tom Roach, deposes and says:-

My name is Charlie King. I am 58 years old. I have always been regarded as a full-blood Cherokee. I never received an allotment of land. I was opposed to the Allotment of lands. I was enrolled in 1851 with my mother in Tahlequah District. I was either enrolled under the name of Charlie, Ah-Guh-nee-geh or Black. My mother was enrolled under the name of Sal-lih or Sallie Dee-stih. We were living near the Going Snake line and it may be that we were enrolled in Going Snake District. I had no brothers and sister who were enrolled in 1851. I do not know my grandparents on my fathers side. The grandparents on my mothers side were Dee-stih. I do not know what the name of my mothers mother was. I never saw my grandfather Dee-stih. I have always heard that he came from the Old Nation to the Indian Territory. I do not know when he came to the Indian Territory. I have been told by my mother that he came out at the time the soldiers brought the Cherokees from the Old Nation to the Indian Territory. I made a mistake in the above statement. My grandfather Dee-stih never came to the Indian territory. He died back in the Old Nation. My mother had a brother who was enrolled in 1851. His name was / E-dee-guh-neh-hih. He was enrolled in Tahlequah District / I do not know whether he was enrolled with my mother or not.

Neither I or my mother ever received any Old Settler money. I have always been with the Cherokee tribe and my mother was always with the Cherokees. My mother was an Emigrant Cherokee and came from the Old Nation.

I and my children received the Strip Payment in 1894. Sarah Rogers is my daughter, Nannie Pigeon, #4384, James King, #10252 and Sam King, #30454 are my children.

George Sanders, being first duly sworn, thru his Interpreter, Martin Squirrel, deposes and says:-

My name is George Sanders. I am 67 years old. I have known Charlie King since he was a small boy. I know that he was enrolled in 1851 but I do not know the name under which he was enrolled. I do not know who the father of Charlie King was but I knew his mother well. Her name was Sah-lih. She was enrolled in Tahlequah District in 1851. She was an Emigrant Cherokee. I never knew the grand parents of Charlie King. In this community they have always been regarded as Emigrants, a.e. Sah-lih and her son Charlie King. They have never received any Old Settler money, since I have known them.

Sah-lih had a brother by the name of E-dee-suh-na-hih. He was enrolled in Tahlequah District in 1851. I do not know with whom he was enrolled. He had no home and roamed around from place to place. He had no children. (See 381 Tahl. This name is probably intended for name of Uncle.)

Sir:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state under what names you think your parents, or either of them, were enrolled in 1851, being careful to spell same correctly and write plainly. The names as stated in your application do not seem to be on the Rolls. Give the names of your grandparents on both sides, and the names of your aunts and uncles so far as you may know them. Give any other information you may be able to furnish to establish your right to participate in this fund.

An early reply will be appreciated.

FOR MINOR CHILDREN

William D. Keith

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

Wm. Keith being first duly sworn, deposes and says:

That I am 55 years of age and live in Montgomery Co., Ark. My postoffice is Crystal Springs. I claim my Indian descent through my father; My mother was a white woman. My wife is a white woman. My grandfather on my father's side claimed Indian. My grandmother was white. She was stolen by the Indians and raised by them. My father married her according to the Indian custom. She had no Indian blood. My father claimed to be 1/2. My grandfather was a full blooded Cherokee. His name was Crane Eater; that was his Indian name. Don't know that he ever had any English name. Lanie Heat was my father's Indian name. His English name was David Andrew Keith. My father was born in Monroe Co., Ga. in 1807 and died in 1906. Don't know when my grandfather died. He died long before the war - before I was born. Think he was living in 1835. There is a place in Georgia called Crane Eater; that's in Gordon Co., Ga. That's where my grandfather was raised. I judge my grandfather was living there in 1835. My father went to California in 1849 but only stayed there a year. In 1851 he was in Gordon Co., Ga. I think my grandfather was enrolled but I don't know whether my father was or not. I was raised with the white people; I wasn't raised with the Indians. I suppose my father lived with the Indians as a member of the tribe when he was a boy, but he lived with the white people after he was grown. I think my grandfather was on the roll of 1835. My grandfather had some brothers who went off with the Indians when they left here. Don't know their names. My father never received anything from the government and I never have gotten anything myself. I never made application for anything before. I am recognized as a white man with some Indian blood; everybody knows that. I claim to be 1/4 Cherokee. My grandfather lived near the Coosawatie River in Georgia. That's probably the river he was enrolled on if he was enrolled in 1835. My father told me that my grandfather was enrolled but that he (my father) never was. My grandfather lived with the Indians until he died. He died in Gordon Co., Ga. Don't know why my father was not enrolled in 1835. My father had a sister named Cynthia who married an Indian named Prince. I think Prince was enrolled as he was a full blooded Cherokee. He was living in Georgia in the reservation. My aunt Cynthia has been dead about three years. She has two children living; one of them near Adairsville, Ga. Sarah Ann Prince is her name and he was never married. My cousin's name is Jim Prince but I don't know where he is living.

Dear Sir:

While taking testimony at Sallisaw, Okla., I had before me Lucy Bigfeather who stated in her testimony in the matter of the Eastern Cherokee Enrollment that she was born 57 years ago at Qualla, N.C. She claims to be a full blood Cherokee; that her father was named Big Grape or OO-na-soola and mother Sallie Grape or Aw-wau-ta. She also stated that she left North Carolina at the age of 16, moving West shortly after the war. The names given by her cannot be found on the Chapman Roll of 1851.

I would appreciate it if you would furnish me with any information concerning her family. Possibly Mr. Owl or some older person could give you information concerning her family. In reply please refer to Ap. 2828 and initials "H. H." Enclosed you will find an official envelope for reply.

Dear Sir,

In reply to your letter of recent date, asking for additional information in applications No: 2832 and 2831 of John + Lydda Liver: will state that These people are full blood Cherokee; and their interpreter may not have spelled the names correctly, but we have done the very best we could; not one in every 100 can spell a full blood Cherokee name correctly, giving proper pronunciation + c. Hope this will prove satisfactory.

Ruth E. Galloway,

Caffeyville, Kansas.

Madam:-

Replying to your letter of September 5, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.
